

MOTHERS FIRST

MOTHERS' MENTAL HEALTH
matters
to the development of
STRONG CHILDREN & HEALTHY COMMUNITIES

Did you know?

- Having a baby can be a challenging and overwhelming experience
- Lack of sleep, never-ending housework and figuring out a baby's needs can lead to a lot of stress and/or anxiety
- More than 15% of new mothers report important difficulties in coping and adjusting
- Up to 1 in 5 women experience depression during pregnancy and up to one year after pregnancy
- Sharing similar experiences with other mothers is a tool that many mothers have found helpful

What is Mothers First?

A weekly group for mothers of infants to connect with one another & to learn about and practice self-care. Discussions will focus on the experiences and needs of new mothers who are concerned about or potentially experiencing stress, anxiety or Postpartum Depression.

Mothers can start the group at any time. There are 8 session topics that rotate each week for 8 weeks.

Call if you require childcare for your older children. Limited child care spaces are available. There is no charge.
