This **FREE** program is designed for parents of young children (birth to 5 years of age) who have a language delay. Parents and children attend together.

SPARK COMMUNICATION LANGUAGE DEVELOPMENT PROGRAM

In this 6-session program, you will learn to:

- Understand your child's communication style and stage to set goals.
- Discover what motivates them to communicate.
- Follow their lead to build confidence and encourage interaction.
- Adjust daily routines to support turn-taking in conversations.
- Talk in ways that help them understand and use language.
- Use strategies during play and reading to boost learning and engagement.

IF YOU ARE:

✓ Concerned about your child's speech & language development.

✓ Interested to learn together with your child and other families.

❓ Not sure if your child has a language delay? We can help you complete an Ages & Stages Questionnaire.

Encouraged to attend all sessions.
