Program Facilitator

Home Based Services work alongside families in their homes to support child development and family goals. Current openings focus on families of young children experiencing developmental delays or disabilities.

Job Responsibilities:

- Work alongside families in their homes to identify and achieve family-led goals
- Support child and youth development, parenting and positive family relationships
- Provide coaching, practical strategies and individualized family support
- Help families connect with community resources and services
- Coordinate and collaborate with other services supporting the family
- Complete required service planning, documentation and statistics

Requirements:

- Diploma or degree in Early Childhood Development, Child & Youth, Family Support or related field
- Experience supporting children, youth and families is an asset
- Strength-based, family-centred approach with strong communication skills
- Valid driver's licence, reliable vehicle and ability to travel
- 37.5 hours per week
- Flexibility to regularly work evenings and weekends

Based in Lloydminster & start ASAP

Benefits:

- Extended health, dental, disability and life insurance
- Group RRSP with employer matching
- Vacation, additional paid leave, and personal/family sick time
- Mileage and eligible expense reimbursement
- Professional development opportunities
